

Statement of Work-Objectives

Project Title: Energy Innovations, Inc. Expansion of Solar Module Production Lines
Project Address: 14100 Danielson Road
Poway, CA 92064
Solicitation Number: DE-FOA-0000052

Energy Innovations, Inc. will be using \$3,493,797.00 of federal ARRA-SEP funds awarded from the California Energy Commission to purchase 64 different items (312 items in total) outlined in the attachment “Energy Innovations Equipment.pdf”.

The \$3,493,797.00 in funding is part of a larger \$7,038,601.00 project, with the remainder paid for with leverage funding by other sources, to expand a concentrated photovoltaic solar system manufacturing facility to an annual capacity of over 50 MW. Energy Innovations will not be expanding the building footprint and no permits are required.

There are no notable waste streams generated by the project.
